CUBAN BUSINESS AND ECONOMIC NEWS

What will 2017 hold in store for U.S.-Cuban relations? Find out first, accurately with cubastandard.com

If you believe in a great future of Cuba — as we do — use cubastandard.com to get there. Our veteran staff produce the insights into business, the economy, and economic policies you need to participate in the country's rise. Cubans are high-skilled and eager to compete in a global economy, and the island's location is key in the region. The 11 million Cubans will see dramatic changes as a new U.S. administration takes power, while reforms in Cuba continue, and Raúl Castro is scheduled to end his presidency in a little more than 12 months. For now, Cuba is an environment starved for thoughtful, timely and accurate information. Let

cubastandard.com Economic Trend Report

A 30,000-foot view of Cuba's economy

Each quarter we deliver to your digital devices a unique set of tools to predict Cuban markets, growth, and currency. Plus you receive an synopsis of economic reforms.

EXPERT ECONOMIC FORECASTS — A unique forecast tool put together by a team of experts led by former Banco Central de Cuba economist Pavel Vidal.

CUBASTANDARD.COM ECONOMIC TREND INDEX — Our economic activity index takes the monthly pulse of the Cuban economy. The CSETI is the only publicly available nowcasting tool anywhere for the island's economic situation. It uses an independent measure, thereby filling the information deficit and the lack of clear signals about the state of the economy in the course of the year.

BUSINESS CONFIDENCE SURVEY — Providing a unique forecasting tool, we survey hundreds of businesses involved with Cuba about their investment plans and sales predictions for the coming quarter.
